

USAG Florida State Meet Level 8 Draw for Competition

March 2009

**Draw done and witnessed August 3, 2008 by the
Florida State Committee**

**All State meets except Level 8 are set up youngest to oldest for
competition times. Due to qualification to Regionals by numbers
and not score, a draw is done for the level 8 State meet.**

**We do not know exact numbers at this time so we have the draw
for a 4 session meet and a draw for a 3 session meet. After we
completed the draw for the 4 sessions, we simply eliminated the
last 4 age groups (13, 14, 15 & 16—oldest groups) from the Draw
for our 3 session Draw.**

**Level 8 State Meet— Listed 1—16 age divisions with #1 the
youngest group and #16 the oldest**
